Prom and Spring Weddings are just around the corner. Let Oasis Day Spa pamper all those body parts that have been hiding all winter long.

Back & Shoulder Facial

Our Stress Melting Back Facial treatment is customized for dry to acne skin types. Guaranteed to have you looking your best in those open back gowns for that special occasion.

Manicures

Our manicures include an effervescent mineral soak, filing, cuticle care, hand massage & polish. The Spa Manicures also add a revitalizing serum, cuticle oil to condition and lubricate and an energizing lower arm massage – just what your hands need after a hard dry winter.

Pedicures

All pedicures are serviced in a throne-type chair where the client enjoys a relaxing back massage with the pedicure. Pedicures include a whirl-pool foot soak, nail clipping or filing, callous removal, foot massage & polish. The Spa Pedicure also adds an exfoliating scrub, hydrating foot mask and lower leg massage. Your feet will surely love you for this treatment and you will be ready for your favorite open toed shoes or sandals.

All of these treatments are designed to make your skin, hand and feet look & feel their very best. Manicures and pedicures also strengthen nails and help prevent nail disorders. As with all skin care programs, the benefits are multiplied with each treatment. Stop by the Spa and ask about our special discounts offered when a series of services are booked.
